Description: Based on a study of over 400 women worldwide, Runaway Husbands: The Abandoned Wives Guide to Recovery and Renewal, is the first book to explore and offer healing strategies to women whose lives have been turned upside down by Wife Abandonment Syndrome. Wife Abandonment Syndrome is a pattern of behavior on the part of a husband who leaves his wife out-of-the-blue...

Review: For over 2 years I have been looking through books and websites to find advice on living through divorce. Every single one Ive found (until now) has assured me that an affair doesnt have to be the end of the relationship, if youre willing to try to forgive and work hard to get through it together. But like the other women depicted in this book, I...
